

## Figure 1.2: Collaboration Learning Goals for Elementary Students

Put a check mark next to each item that describes you as a group member. It's OK to leave some items blank. The purpose of the checklist is to celebrate your strengths and figure out what you need to work on.

- ☐ I treat each group member with respect.
- ☐ I listen to what other group members say.
- ☐ I am honest and kind when I speak.
- ☐ I am ready to lead and to follow.
- ☐ When I make a promise, I keep it.
